Commercial Black Angus cross recipient  
MAGSWL Usual Suspect 538U x J6 Temptest B300  
Proj: BW: 1.3 WW: 60 YW: 96 MK: 23  
RE: .50 MB: -.11 \$MI: 47

Sired by the hottest red, homozygous polled purebred bull in the business right now. MAGSWL Usual Suspect 528U is the Triple Crown winning bull who has sired some amazing calves. Wies and Magness campaigned this bull to the highest level and now that he is deceased his legacy will live on.

J6 Tempest B300 is one unbelievable purebred Red Angus donor in the making. She is now in production nursing her first calf and doing a terrific job. B300 is a daughter of WEBR TC Card Shark 1015 and from the female SLGN Stony's Temptest 778T. This young female will join a long and appealing list of proven Red Angus donors in the P Bar S Ranch operation. She created a tremendous amount of attention at the J6 sale. She was recognized by noted cattlemen as a near-perfect female! Her structure is sound, her design is flawless and her femininity is spot on. This future heifer will have a tremendous amount of respect and attention when she hits the ground for her new owner. You are guaranteed one heifer pregnancy.
