If you need assistance with your purchases or want to discuss the genetics selling than please feel free to contact R & R Marketing Company or MC Marketing as paid marketing agents for P Bar S Ranch, we take pride in the opportunity to work closely with this program. We can assist you with your phone order and/or handle your bid in the most confidential manner. Feel free to email, call or text and we will be more than happy to assist.

LOT 1 ... PBR5 HEAVENLY 052H ET

43% Lim-Flex Heifer | LFF 2289941 | PBR5 052 | 02.26.2020 | HP/ DB

A female that is en route to paving her own path to greatness. PBR5 Heavenly 052H blends one of the industry's hottest sires with highly productive, proven Limousin genetics. She is a daughter of Colburn Primo 5153, the Dameron First Class son out of the prolific Silveiras Saras Dream 1339 female. SLKF Sister Act 1322 is the dam of this female that goes back to DHVO Deuce 132R and GPFF Blaque Rulon. Sister Act was the 2014 Tulsa State Fair Champion Limousin Heifer and 2014 Tulsa State Fair Third Overall Supreme Female exhibited by Peyton Haley. This 43% Lim-Flex female is destined to be one of the great ones. Three full sisters to this female have had excellent success in their show careers. PBR5 Heidi 071H was the Reserve Champion Limousin Female at the 2020 Tulsa State Fair, exhibited by Tayhlor Elmore. At the inaugural Cattlemen's Congress in January, PBR5 Gentry 9163G was Champion Division III Lim-Flex female, exhibited by Tayhlor Elmore and PBR5 Humble 086H ET was Reserve Division I female, exhibited by Kaia Coddling. These genetics have a proven track record for show ring success and total domination in production. PBR5 Heavenly 052H will be a cornerstone female for the most elite program and you'll want her headed in your direction at the conclusion of this sale. She is homozygous polled and double black.

Don't let this 43% Lim-Flex beauty out of your sight! PBRS Here After 018H is sired by Brooking Bank Note 4040, a Connealy Earnan 076E son out of an SAV Final Answer 0035 daughter. He is a complete freight train of an Angus bull admired by many. Bank Note is known for siring phenomenal individuals with rib shape, muscle expression and near-perfect structure. This female's dam is SBLX Znote, the outstanding daughter of MAGS Xyloid and MAGS Manuela. She was the 2014 National Junior Limousin Show & Congress Champion Female, exhibited by Lauren Stowers. Genetics of this caliber are making a mainstay in the Limousin breed and beyond. Her potential as an elite show female is exciting, but even more importantly she'll be a highly productive donor prospect that offers tremendous breeding flexibility. She's smooth in her lines, attractive in her structural build and a total day-dream of a female when she's on the profile. She is homozygous black and heterozygous polled.

A great opportunity to purchase genetics from two cow families that continue to produce elite genetics across the nation. This type of female doesn't come around very often. PBRS Heart of Gold 010H is explosive through her center body, expressively muscled, incredibly long in her spine and reads to be one phenomenal donor prospect up ahead. She is a 53% Lim-Flex daughter of MAGS Firestone 218F, a son of MAGS Apple Jack out of a MAGS Zodiac female, MAGS Daystar. He was the top-selling lot in the 2019 Magness Land & Cattle Southern Division Bull Sale, where sixteen semen packages sold for \$23,000. This female's dam is one of our top donors known for her leading growth, milk and marbling influence. AUTO Classy 272B is an EXAR Classen 1422B daughter out of the influential MAGS Manuela. This female's marbling figure of 0.54 ranks in the elite third percentile and her milk figure ranks in the top 20%. She is homozygous polled and double black.

A first-class female to pay attention to! PBRS Giada 9348G is the product of some of the greatest genetics to ever grace the Limousin breed. The more ways you study this 62% Lim-Flex female, the more ways you'll understand her worth and exciting potential as a donor prospect! She is three-dimensional in her shape, feminine fronted and angular in her lines. She is sired by EF Xcessive Force and out of EF Yaffa 821Y. EF Xcessive Force was the 2012 NWSS Champion Lim-Flex bull who set the tone for high performing Lim-Flex cattle with style and power. He goes back to SAV 8180 Traveler 004 and is out of a tremendous DHVO Deuce 132R female, CFLX Mollys Image. EF Yaffa 821Y is an EXLR New Generation 071M female out of a GPFF Blaque Rulon daughter. She is the dam of RLBH Air Force One, the prolific sire of FWLY Can Do who is currently one of the hottest bulls in the business and Yaffa is also the dam of RLBH Days of Thunder, a leading sire in our program. This female's marbling figure of 0.34 ranks in the top 25% of the breed. She is homozygous polled and double black.

 P.E. 12.08.20 - 02.01.21 to MAGS Goodwill (LFM2156961 - 43% Lim-Flex, HP/ HB son of AHCC Dakota Thunder 363D).*

PBR5 9196G is a striking 50% Lim-Flex daughter of Riverstone Crown Royal with a flawless structure and build. Riverstone Crown Royal is the son of TMCK Durham Wheat 6030X and the HSF Your Fantasy donor who continues to prove his influence as a great addition to any progressive program focused on structural integrity, unmatched phenotypic quality and overall durability. This female's dam goes back to Bon View New Design 1407 and SITZ Traveler 8542. We love the amount of bone, foot size and rib shape present in PBR5 9196G. Her birthweight figure of -1.9 ranks in the top five percent of the breed. She is homozygous black and double polled. She reinforces the quality and reputation we strive to uphold each year in our female offering.

This 43% Lim-Flex female exhibits the future of unparalleled power and phenotypic greatness coupled with stellar predictability. PBRs Gia 96G is sound structured, smooth in her lines and tremendous in her angles relative to her overall shape and dimension. She is a daughter of ELCX Turning Point 641Z, a MAGS Xyloid son we purchased from Edwards Land & Cattle Co. He has been instrumental in our program generating cattle with body shape, substantial mass and tremendous structural integrity. This female's dam is Buford Erica Z24 who is sired by SAV Bismarck 7410. Her marbling EPD of 0.37 ranks in the top 20% of the breed and her milk figure of 23 ranks in the top 30%. She is homozygous black and double polled.

Sire,

Selling 50% semen interest and 50% possession (Buyer of this lot can pick spring or fall possession) P Bar S will be easy to work with as they think a lot of this herd sire prospect.

PBRs High Country 025H will secure a spot at the top of any program focused on sheer power, structural integrity and proven genetic predictability. He is big footed, stout boned, massive through his center body and level in his hip. He is sired by Colburn Primo 5153, the Dameron First Class son from the famous donor, Silveiras Saras Dream 1339. His genetics are dominating shows across the nation and they're all-stars in production. This bull's dam is EF Windsong, a purebred daughter of KRVN Naskar 013N, who was a many time champion female for Rachel Booth and is now one of our cornerstone donor females. She is from a TNUH Blue Print daughter and goes back to one of the best donors in the breed, EXLR 231J. PBRs High Country 025H is the pinnacle of Lim-Flex herd sire prospect perfection. Remarkable strength in genetic profile, uncompromised efficiency and monumental phenotypic influence. He's as heavy duty as they come, folks!

Sire, FWLY Can Do

Dam, ELC Elegant Lady E916

Don't look past this noteworthy genetic offering to the esteemed Lim-Flex FWLY Can Do and ELC Elegant Lady E916, a powerhouse Angus donor female. FWLY Can Do was the 2018 American Royal Champion Limousin Bull, raised by Fawley Farms who captured the attention of numerous progressive breeders industry-wide. He is the RLBH Air Force One son responsible for siring numerous high-selling individuals and embryo lots in sales across the country. ELC Elegant Lady E916 is a daughter of Quaker Hill Assurance, a Connealy Confidence 0100 son. Her dam is WSA Lady 9162, a Soo Line Motive 9016 daughter out of Gambles Lady 2021. She is a female that blends the Pathfinder sires, Motive and Iron Mountain together in a tremendous package. These three conventional embryos will be 34% Lim-Flex, homozygous black and double polled. Now is your opportunity to acquire some of the most unique Lim-Flex genetics on the market from the highly sought after FWLY Can Do and ELC Elegant Lady E916.

Sire, MAGS Cable

Dam, MAGS Zenovia

If you're wanting to shake things up a bit, take a close look at this genetic offering! It goes without saying- a mating of this distinction doesn't hit the market very often, but boy when it does, it garners the attention of the astute. Dial your sights on these four embryos to the highly syndicated MAGS Cable and the ever consistent MAGS Zenovia donor. MAGS Cable is the total outcross Lim-Flex sire who continues to sire individuals across the breed with noteworthy phenotypic excellence and genetic superiority. He injects incredible structure, tremendous depth of body and a balanced set of numbers to all of his progeny. MAGS Zenovia is an extra complete donor that's continually in high demand. She excels in generating offspring with impressive numeric profiles and flawless eye appeal. She is a daughter of MAGS Xyloid and out of a top donor, MAGS Unremarkable Color. Now is your chance to introduce these elite genetics into your program packed with abundant capacity and loads of marketability.

AUTO AJAY 206A

50% Lim-Flex Bull | LFF 2036164
 AUTO 206A | 01.02.2013 | Polled/ HB

What a remarkable, once-in-a-lifetime opportunity! It's your turn to take the reins with five embryos from AUTO Ajay 206A and the bull of your choice. AUTO Ajay 206A shouldn't need an introduction- she's had that much influence in the breed to date and continues to generate offspring that sweep every show ring they set foot in and top the charts of any sale. She is the 50% Lim-Flex daughter of SAV Brave 8320 and out of the breed matriarch, MAGS Manuela. SAV Brave 8320 is the \$92,500 son from SAV Mandan 5664 and SAV May 2397. SAV May 2397 is the donor responsible for generating over 1.7 million on progeny and most notably the dam of the \$200,000 SAV Angus Valley 1867 bull. This female's dam is MAGS Manuela, the female credited with being the finest donor to ever exist in the history of the Limousin breed. Limitless potential if we do say so ourselves! These embryos will result in genetics that will set a new course for anything you desire.
